* If alcohol will be provided at the event, you must fill out the Alcohol Request Form and submit with your guest list no later than thirty days prior to the event. Security officers will be scheduled from the time you start serving alcohol until the end of the event, and settlement is made with the officers directly the night of the event. Chartwells must provide and sell any alcohol. Since Chartwells is licensed to serve alcohol, they carry their own insurance coverage for the service. Therefore it is unnecessary to add or select to have alcohol coverage added to your event insurance. Please contact catering at (325) 942-2124 for any inquiries or questions regarding pricing.
