Teacher Ed Council  
8/2/11  
Called to Order at 2:04pm  

Dispositions  
1) Presentation by Chris Purkiss  
2) List of Dispositions for Distribution  
   a. Added fairness wording  
   b. Added all children can learn wording  
3) Timeline for Assessment  
   a. Three assessment points by professors and two self-evaluations by candidates within program.  
   b. Implementation in Fall 2011  
4) Use of disposition data  
   a. Data will be housed in TaskStream  
5) Dispositions Committee will now start to work on infraction based policy  
   a. Suggestion to please add plagiarism as an infraction  
6) Graduate dispositions will have same titles but little bit different definitions in regards to other school personnel (i.e. Principals)

SBEC Rules  
1) New ASEP Criteria  
   • Standard 1: Pass Rates  
     o 70% (2009-2010)  
     o 75% (2010-2011)  
     o 80% (2011-2012+)  
     o Currently we are doing well (see handout)  
   • Standard 2: Principal Survey  
     o Principals rate the performance of first year teachers, how well did the EPP prepare that first year teacher?  
     o This year is pilot year, next year will be mandated  
   • Standard 3: Student Achievement  
     o The effect of the teacher on student learning outcomes  
     o This standard is being developed right now  
     o Evaluation of 1st, 2nd, and 3rd year teachers effects on student learning  
     o Stakeholders committees and statistical committees are working on this.
• Standard 4: Field Observations
  o The candidate will evaluate their University Supervisor
  o Survey is going to be tied to candidates application for certification

• If anyone wants a copy of the Texas Administrative Code (TAC) please let Dr. Miazga know.
• If you would like access to the SBEC Green Screen (to look at pass rates, etc) please let Dr. Miazga know. He will send you the necessary paperwork.

Test Prep
  1) Process for Repeat Test Takers
    a. Should provide remediation per the TAC
    b. Students preparing for the exam are required to get 6 clock hours of test prep
    c. What opportunities are available for remediation now?
      i. Department receives scores so they know who did not pass
      ii. Informal processes are now in place

NCATE- Accredited
• NCATE coming back for visit 2012
• May 2012 Institution Report (IR) is due to NCATE electronically
• Three month review of IR
• September 2012 we will get report from NCATE
• Late November early December NCATE will visit ASU
• We must show “Continuous Improvement”
• AFI’s (Areas For Improvement)- Committee Chairs are addressing these

Standard 1: Candidate Knowledge, Skills, and Dispositions
  Marilyn Eisenwine, Chair
Standard 2: Assessment System and Unit Evaluation
  David Tarver, Chair
Standard 3: Field Experience and Clinical Practice
  Deborah Banker, Chair
Standard 4: Diversity
  Linda Lucksinger, Chair
Standard 5: Faculty
  Jim Summerlin, Chair
Standard 6: Unit Governance and Resources
  John Miazga, Chair
Program Components-New Transfer Policy

- Fall 2011 ASU Policy we will no longer accept transfer grade, students will only get credit

  1) What to use for admission into EPP?
  2) What to use for admission to ST?
  3) When time to recommend for certification we will use all (transfer and internal)

- State says to use all coursework for entrance into program
- Must have continuous GPA of 2.5 to stay in EPP

David Scott motioned that ASU use Overall GPA (local and transfer grades) for entrance into the EPP and Student Teaching and there be an added Local Requirement that the candidates’ Overall ASU GPA be at least a 2.5 for entrance into Student Teaching.

Paul Swets seconded the motion.

All Agreed

Expiring Certificates

- After last admin date (see handout), there is one year overlap that candidate can use scores

Social Studies Composite Certification

- Composite test is ending
- Need to revise degree plans now for incoming students
- Geography, History, Political Science, and Economics will all be separate tests
- Must have 24 hours in the content, 12 hours advanced to recommend for new test

Science

- Science Composite is here to stay

Organization of EPI Center

- Reorganization Charts (see handout)
- Areas of Responsibility and Referral (see handout)

Other Business:

None

Adjourned: 3:12 pm
