

DEGREE PLAN WORKSHEET – DEPARTMENT OF BIOLOGY

Bachelor of Science – 2011-12 Catalog

Biology Major – Chemistry Minor

Instructions: With your advisor's assistance, develop a plan for taking each of the courses listed. Upon completion of 30 semester hours, bring your completed plan, which has been approved and signed by your advisor, to the Biology Department Office to file an official degree plan. Even after your official degree plan has been filed, you will be required to consult with your departmental advisor each semester. Your advisor will monitor your progress, apprise you of special opportunities or inform you about changes in requirements or course availability.
