

CHECKLIST

Welcome to Angelo State University! To make your SOAR experience as smooth as possible, please make sure that you have taken care of each of the items below before you arrive.

- Access your [RamPort](#) account and verify that your ASU e-mail account is functional. Your confirmation for a SOAR date will probably be the first e-mail in your inbox.

NOTE: Following your SOAR registration and receipt of payment, you will receive information via U.S. mail regarding your RamPort account and e-mail account, including your username and password. All specific information regarding your SOAR attendance will be sent to your ASU e-mail account. Check the account regularly for any important messages from ASU.

- Apply to live on campus by selecting "Apply Now" on the [Residential Programs](#) website or request to [reside off campus](#). (Those who want to live off campus must meet exemption requirements in the Housing Policy.) Your living plans should be handled as far in advance as possible.
- Confirm that any scholarships and other [financial aid](#) are in place.
- Submit any final high school/college transcripts and/or recent ACT and SAT scores to the Admissions Office.
- Ensure that your [Texas Success Initiative](#) scores or proof of exemption have been submitted to the [Office of Admissions](#).
- Provide proof to the Registrar's Office that you have received a [bacterial meningitis vaccination](#) or exemption. (Note: As state law mandates, all new enrolling students must verify at least 10 days before the first day of the semester that they have received a bacterial meningitis vaccination. If you fail to do so, your registration will be canceled.)
- If you are going to bring a vehicle to campus for the fall semester, you need to register the vehicle and pay for a parking hanger, which will authorize you to park on campus. Please bring the make, model year, and license plate number of the vehicle when you come to SOAR. This information will be used as part of the online registration process when you are signing up for classes. You will receive your parking hanger at a later date.
- Submit a photo online for your [ASU OneCard](#), your campus ID card. (You also have the option of taking a photo for your OneCard when you come to campus for SOAR.)
