Introduction
ASU Reservations (Virtual EMS) is a web-based application that provides efficient facilities and services management by allowing customers, event attendees, and the general public to use a standard Internet browser to view real-time calendars and event schedules. When authorized, ASU Reservations users can also submit online requests and book space.

To access the test site for ASU reservations logon to the RamPort and go to the Work Life Tab. Locate the Special Events Channel in the middle towards the bottom of the page. You will then click on ASU Reservations which will take you to the reservations page.

Login
If you have an ASU Reservations account, you’ll see the ASU Reservations tool bar when you first log in. It displays for the duration of your session. When logging on thru RamPort you will not need to sign on to the reservations page. If you sign on outside of RamPort you will need to login as described below.

1. At the site, select My Account-Log In.
2. Enter your User ID and Password.
3. Click Login.

After you log in, you will see toolbar options such as Browse, Reservations, My Account, and Links.

Note: If you don’t have an ASU Reservations account, you will need to request one and receive approval prior to making reservations.

Log Out
To log out of ASU Reservations, click the Log Out option.
Click on My Account - Log Out.
Using ASU Reservations

Toolbar Dropdown Menus
When you first open ASU Reservations, you’ll see four dropdown menus - **Browse, Reservations, My Account,** and **Links.**

**Browse**
The Browse dropdown menu contains **Browse Events,** **Browse Facilities,** **Browse for Space,** and **Locate Group.**

**Browse Events**
The *Browse Events* window displays ASU events by day, week, or month.

To open the *Browse Events* page:
Open ASU Reservations and go to **Browse - Browse Events.**

To view events in list format:
Click the **Daily List, Weekly List,** or **Monthly List** tab.

To sort the list based on a particular column:
Click that column’s heading.

To reverse the sort order:
Click the heading again.

To view events in calendar format:
Click the **Weekly Calendar** or **Monthly Calendar** tab.

To change the dates shown:
Use the arrows on either side of the date heading.

The *Browse Events* window displays a calendar that lists all the scheduled events in auxiliary locations. Hover over each event listed to see specific information regarding that event.

You can choose to display the information by clicking on the **Daily List, Weekly List, Monthly List, Weekly Calendar,** or **Monthly Calendar** tabs.
Move forward or backward among days, weeks, and months by clicking on the arrows to the left of the displayed day, week, or month.

*Daily, Weekly, or Monthly List*
These views can be grouped by:
*Date, Location, Group.*

**Note:** This column is originally configured as **Group Name,** but can be labeled as **Department/Employee,** depending on your organizations’ needs and requirements.
Sortable columns on this screen are **Start Time, End Time, Title, Location,** and **Group Name.**
**Weekly Calendar**
The Weekly Calendar simply displays all scheduled events during a specified seven-day span, from Sunday to Saturday.

**Monthly Calendar**
The Monthly Calendar displays all scheduled events for the selected month.
The upper-right side of the Reservations window contains the following selections:
**Filter**
1. Click Filter to specify the searchable items for an event(s).

When you click Filter, a dialog box opens where you can enter the Date, Facilities, Room, Event Type, Event Name, Group Name, and/or Group Type.
2. Complete the fields and click Apply.

**Today**
Click Today to display a list of all scheduled events for the current date by displaying the Daily List tab.

**This Week**
Clicking This Week simply displays all scheduled events for the current week by displaying the Weekly Calendar tab.

**This Month**
Clicking This Month displays the listed events for the currently selected month by displaying the Monthly Calendar tab.

**Browse Facilities**
The Browse Facilities window displays a list of rooms by building and by the setup types and capacities that are valid for the rooms. People interested in scheduling an event can use this information to determine which rooms could accommodate their gathering.

When you select Browse Facilities, the Setup Types by Room window displays. You can select that the displayed rooms be grouped by Setup Type or Room.

**Group By Setup Type**
Setup Type displays all rooms grouped by their respective setup types.
Selecting Group By – Setup Type displays Setup types by Room that lists all scheduled events, grouped by specific location. Sortable columns are Location and Maximum Capacity.
Hovering over each event displays that room’s specific information.

**Group By Room**
Group By Room displays all setup types grouped by the room.
Clicking Group By – Room displays a Setup types by Room list with Setup Type and Maximum Capacity sortable columns.
Clicking on each listed item displays a separate window that contains Building Details and below, Room Details, Setup Types, and Features tabs.

**Setup Types**
Selecting the Setup Types tab displays the Setup Types and Capacities window with Setup Type, Min Capacity,
and Max Capacity columns.

**Features**
Selecting the Features tab simply displays the specific features available at the chosen facility.

**Browse For Space**
Use the Browse for Space window to look for available space at a particular date and time.
To open the Browse for Space window:
Click Browse – Browse for Space.

**Note:** The Browse for Space window is read-only; you can’t make reservations from this page. The system displays a grid showing room availability. You can use the arrows to scroll forward or backward in time.

**Event Details**
To see details about an event:
