NCATE Standard 4 Committee

Minutes – December 1, 2011

The committee members gave a brief update on data collection for Exhibits. Several still have data to collect

Dr. Evans and Dr. Lucksinger discussed their approach to data collection for Exhibit 4.3.b Curriculum components and experiences that address diversity. Dr. Williams provided data collected on Advanced programs from Dr. R. Bain.

The Program Assessments matrix from Dr. Eisenwine was reviewed and discussed related to the diversity elements.

Committee members will continue to collect data on exhibits and be prepared to provide the data in January and early February.

Meeting adjourned.
