1. Marilyn Eisenwine - Update for NCATE-BOE visit.
   - Handouts, NCATE information
   - Go over Program Assessment Data for each program
   - Cooperating Teacher Surveys have now been uploaded in TaskStream, we will give the data back to each program by semester.
   - Disposition data is now being collected and stored on the webpage. Student Teacher and University Supervisor data is very comparable.
   - Disposition Report is available to use with any candidate that needs counseling in dispositions.

2. Texas Education Agency Changes in Certification
   a. Agency PPT
      - TEA is currently doing a review of the Texas Administrative Code
      - TEA wants to find a balance between EPPs/Schools/TEA
      - Principals evaluate 1st, 2nd and 3rd year teachers
      - EPP’s will be evaluated on student scores of teachers that graduated from the EPP
         - 70+ variants for the data right now
      - How well were candidates supervised? Candidates fill out a survey before applying for certification.
      - Uniformity across the state:
         - 18 Content Areas must be covered
         - 4 evaluation tools
      - TAC is now open
