

Student Scholars and Research Program

In order to promote interest, knowledge and participation of students in the importance of international study and research, the Center for International Students administers the Student Scholars Program with the goal of providing opportunities for students to participate in approved scholarly programs.

The programs will provide resources to (1) promote and encourage student participation in international research opportunities, and/or (2) provide international travel funding for participation in international conferences, meetings and internships.

The Center for International Studies (CIS) will administer the student scholars program as follows:
