**Responsibility (charge):**

Act as consultants to the Academic Coordinator of Clinical Education by providing current news and information from their facilities and the local medical community; providing feedback to the core faculty about the strengths and weaknesses of the clinical preparation of the students and the administration of the clinical education program; offering suggestions for improvement of all aspects of the clinical education program; providing current information about the impact of issues facing clinicians including current and pending state and federal government regulations, reimbursement, etc.; evaluating and responding to ideas presented by the core faculty to update and improve the clinical education program; and offering suggestions about topics for training sessions and other means the core faculty can use to prepare and support the clinical education faculty.

**Appointment:**

A minimum of seven members will serve on the committee; the Chair and six community members. The community members are recommended by the Chair in accordance with the following guidelines: current employment in a healthcare facility in the San Angelo area that has an affiliation agreement with Angelo State University's Physical Therapy program; minimum of three years clinical experience preferably in more than one setting; active participation in the clinical education of Angelo State University's students; and experience with students from other physical therapy education programs is desirable. All committee members are approved and appointed by the President.

**Term of office:**

Standing membership.

**Chairperson:**

The Chair is appointed by virtue of position held.

**Members are notified by:**

Chair of the Committee
