- II. Bulletin Board & COE Spotlight updates
 - a. A current region winner/state nominee for Teacher of the Year, Lorraine Campos, was discussed. Tia said she would check to see if this teacher was an ASU Alumnus so we could determine if she should be spotlighted on our site.

- III. Quest for Quality Awards- Deadline November 1st;
Dean's signature required
 - a. Exceptional Teacher Candidates
 - i. Tia will spearhead the recruitment of necessary application materials. She informed us of the current top students in elementary and secondary programs that we might want to nominate.
 - b. Exemplary Faculty Practices
 - i. The committee decided that they would like to see Dr. Banker update and resubmit her previous nomination from last year.
 - c. Exemplary Field-Based Practices
 - i. After much discussion, Dr. Purkiss mentioned the uniqueness of the elementary practicums. The committee decided that a submission that

emphasized candidates' opportunities to work in five schools at once might be worthy of submission for this category.

 - i. The committee would like to see Dr. Maxedon resubmit her winning nomination to this category.
- e. Amy will gather submissions, have the dean sign them, and submit nominees for all four categories. The requested due date for all information to Amy is October 28th.
- f. Examples of winners can be found on the Quest for Quality website, and Amy has a notebook of submission examples for the Faculty Practices category that is available for review.

IV. New Initiatives?

- a. The committee discussed last year's issues with the Presidential Faculty awards nomination process and voted to disseminate the necessary information to all faculty and staff who might like to nominate an individual in the spring. To be discussed again at a future meeting.
