Attendees: Deborah Anne Banker, chair; Amy Williamson, Wendy Storms, Christine Purkiss

1. A quick over view with respect to who was assigned what indicator standards.

- 1.1 Amy Williamson & Wendy Storms
- 1.2 Deborah Anne Banker & Donna Baumgardner
- 1.3 Deborah Anne Banker
- 1.4 Christine Purkiss
- 1.5 Mike Salisbury

2. Indicator standards reported out:

- 1.1 INTASC standards are currently being utilized as a pilot in clinical teaching for initial teaching certification programs and for Teaching Internships.

As part of our December data day, faculty will help align INSTASC standards with their courses by determining where standards are taught. This will be a starting point for us to determine what is still needed, where, and in what format.

- 1.2 Please see attached *Standard 1.2 Evidence* chart.

- 1.3 Please see attached *Standard 1.3* chart

- 1.4 No College - Career Readiness Standards are incorporated into the curriculum. State of Texas is currently working on new standards.

- 1.5 In the information gathering process. Nothing of significance to report.

3. The information above will be put into a narrative report for the Data Day presentations in December.

4. The spring monthly meetings will be scheduled in January when all committee members are better acquainted with their spring schedules.
