TEAL (TEA Login) is the security gateway to TEA web resources. To access your Educator Account, you will need a TEAL profile that is set up with access to your profile in the Educator Certification Online System (ECOS).

**IMPORTANT!!!** Your name is used to connect all your records and is transmitted to ETS. If your name does not match **EXACTLY** on your Texas Driver’s License/State ID card and on your Educator Certification profile, you will not be able to log in to your Educator Account or register for tests at the Educator Testing Service (ETS). If your name has changed or differs between these sources, **STOP**, and follow the **Name Change Information** at the end of this document.
Part 1: TEA Login (TEAL) Access

1. Go to the TEA website, tea.texas.gov, and click ECOS for Educators at the top of the main page.

2. On the next screen, click Create new TEAL account.
3. Enter required information on the TEAL profile page. You must enter the name in your TEAL profile as it exists on your Texas Driver's License/State ID card and on your Educator Certification. Do not use nicknames (example: "Bill" vs. "William") or other variations.

   **If your name has changed or differs between these sources, STOP, and follow the Name Change Information at the end of this document before completing your TEAL profile.**

Also, make sure you capitalize the first letter of your first and last name and make the rest lower case. For example: Jane Doe; Not JANE DOE or jane doe. Enter your email address in lower case.

For instructions on accessing records in your Educator account, review the following pages, **Part 2: Accessing your Personal Educator Account.**
Part 2: Accessing your Personal Educator Account

1. Click on the *Educator* link.

This logs you into ECOS and brings up your profile page. Make any necessary changes and click *Continue* at the bottom to save the changes.

SEE EXAMPLE NEXT PAGE
TIP: The Educational Testing Service (ETS) pulls your profile information from this page. Any changes must be made here to be reflected in your account with ETS at www.texas.ets.org.
Click options in the left menu to perform tasks such as renewing certification, or viewing or printing certificates.

**Main Menu** brings you to the home page where you can select an option on the far left side below the tab.

**Application/Fee Status** allows you to make the online payment if you previously submitted an application, but did not pay OR was not directed to the secure payment screens after submitting the online application to SBEC/TEA; this tab also allows you to view all previous E-commerce transactions and print payment confirmation receipts if needed.

**Applications** contains all of the online Texas applications in the dropdown menu selection:

- **Standard Certificate Texas Program** – application used by candidates in Texas educator preparation programs seeking initial certification, certification in Trade and Industrial Education or Health Science, and additional certification for Principal, Superintendent, School Counselor, School Librarian, Reading Specialist, Educational Diagnostician, Master Teacher (Reading, Mathematics, Science, and Technology).

- **Renew a Standard Certificate** – application used by all Texas educators needing to renew their five-year standard certificates (includes all areas of certification).

- **Additional Certification by Examination** – application used by Texas educators already issued a lifetime provisional certificate in a classroom teaching area or five-year standard certificate holders with classroom teaching certificates.

- **Probationary Certificate Texas Program** – application used by candidates enrolled in Texas approved educator preparation programs (majority of applications submitted by alternative certification program candidates, but some traditional program candidates also eligible to apply with program approval and recommendation).

- **Out-of-State Certified Applicants** – application used by educators with standard certificates in another state. Certified educators from other states can use this tab to apply for the review of credentials, one-year certificate, and five-year standard certificate.

- **Out-of-Country Certified Applicants** - application used by educators certified in another country. Certified educators from other countries can use this tab to apply for the review of credentials, one-year certificate, and five-year standard certificate.

- **Temporary Teacher Certificate** – application currently not used because there are no active participating school districts to assist with completion of this certification process.
TEAL and ECOS Access Instructions for Educators

**Educational Aide Certificate** – application used by individuals seeking employment with a school district. Individuals should not apply unless directed to do so by employing district. Individuals use this application to apply for the initial educational aide certificate, but must also use this application and pay another fee if being recommended for a higher level of educational aide certificate by the employing district. This certificate can be issued at level I, II, or III.

**Renew a Standard Aide Certificate** – application used by individuals to renew their educational aide certificate for another five-year period. Important to note that moving to a higher level of educational aide certificate does not renew the lower level educational aide certificate already issued.

**Statement of Qualifications** – document used by individuals seeking one of the Career and Technical Education Certificates requiring verification of work experience. The completed form should be taken to an approved Texas educator preparation program or in some instances, the employing school district.

**View Certificates** allows you to view your online Texas certificate record

**Official Certificate** – provides the full history of your certificate record. All certificates with a current, valid status will appear at the top of the online record. All other certificates with expired timeframes will appear at the bottom half of the online record. This format mirrors the information displayed when using the “Certificate Lookup” function from the main pages of the TEA website.

**Printable Version** – provides only the current, valid status of certificates issued. Is considered the printable version suitable for framing because the display also contains the Texas state seal and SBEC Board chair signature.

**View Examinations** – provides the full testing history and also confirms test approval status under the “Maintain Approved Exams” section

**Approved Programs** – allows individuals to search for approved Texas educator preparation programs

**Change Address** – allows individuals to update the mailing address in their educator profile

**Satisfaction Survey** – provides individuals an opportunity to comment on services received from TEA
