The San Angelo Business Plan Competition 2022

Competition Overview

The San Angelo Business Plan Competition 2022 is a three-phase business plan competition with cash prizes as well as in-kind prizes donated by local businesses. The Competition is an opportunity for entrepreneurs to develop viable business plans that will expand their business in San Angelo by competing for cash and in-kind prizes.

The Competition Coordinators are the City of San Angelo Development Corporation (COSADC), ASU Norris-Vincent College of Business (NVCOB), and the ASU Small Business Development Center (SBDC). A Judging Panel will be assembled from a pool of successful entrepreneurs, business leaders, financial professionals, and other economic development supporters in San Angelo. The Competition Coordinators and the Judging Panel are considered the "Competition Officials."

In brief, a business plan is a comprehensive document that provides an organized view of a business start or expansion. A business plan should reflect the vision of a market opportunity and serve as a blueprint for the start or expansion of the business, and it includes various elements.

One-on-one, no-cost, and confidential assistance in preparing a *Business Overview (Phase I)* and *Draft Business Plan (Phase II)* is available by contacting the SBDC at 325-942-2098 or emailing sbdc@angelo.edu. SBDC certified business advisors will work with contestants on developing their *business overview* and the *draft business plan* if they are selected to proceed. A student team from the NVCOB will work under the SBDC advisors assisting contestants during the phases. SBDC advisors have great experience helping clients prepare business plans. The SBDC has no involvement in the judging process.

The SBDC also provides free workshops on how to develop a business plan. All workshops will be held in the Business Resource Center (BRC) Training Room located at 69 N. Chadbourne St. in San Angelo. Other SBDC workshop schedules and seminar registration information are available online at: www.sbdc.angelo.edu.

The Judging Panel has the discretion to award: (1) first, second, and third place winners; (2) any combination of winners; or 3) no winners. Notification that a business plan is selected as a finalist does not mean that the Judging Panel must award any winners.

Eligibility Requirements

Any individual or a multi-person team (up to four contestants per team) is welcome to enter in the competition if they meet the following eligibility requirements. In phase I, contestants must submit the entry form and an original two-page *business overview* for the expansion of their business. Businesses must be in San Angelo or its ETJ ¹ to be eligible for an award. Contestants must also be committed to economic development in San Angelo which includes job creation . ² Awards winners must establish and maintain their business expansion in San Angelo for the period indicated in the grant agreement.

¹ San Angelo means the area within its city limits and its extra-territorial jurisdiction (ETJ). ETJ is 3.5 miles outside city limits.
