Policies and procedures have been developed to license the use of the marks. The executive director of materials management, along with the Director of Communications and Marketing, shall administer the licensing program. All official notifications regarding the licensing program must be sent to OCA at:

d. Registered student organizations (RSO) may use ASU’s University Marks when used in connection with a group activity, provided items are acquired from the approved Licensee list. A sample or drawing needs to be provided showing how the University Marks are to be used before production of the merchandise can proceed. This sample will be submitted by the licensee selected by the Angelo State registered student organization;

e. ASU Departments may use the university’s registered marks on merchandise, provided items are Licensed Articles of a licensed company or individual crafter. This sample will be submitted by the licensee selected by the ASU Department;

There will be no payment of royalties when University Marks are used in the media or on non-commercial promotional items that include registered marks of the conference and/or other member institutions.
8. **Policies and Guidelines for Angelo State (in-house) Use**

   a. In-house use: Registered student organizations, student sports teams, resident hall organizations, and ASU departments may use any University Marks for “in-house” purposes (e.g., posters, signs, banners, brochures) that deal with on-campus activities. Such use must reflect positively on the university and be reproduced accurately by a Licensee of ASU and must not conflict or cause confusion with Angelo State Intercollegiate Athletic Teams. The student organization’s name must be included in the design. Approval from the Director of Communications and Marketing is required;

   b. Recognized student organizations and ASU departments: Recognized student organizations and ASU departments may include a sponsor name/logo along with University Marks on products and certain forms of advertising. However, the student organization/ASU department’s name must be included in the design to communicate that the relationship is a partnership with a particular group and not an endorsement by the university as a whole. Approval will not be granted for sponsors who conflict with university exclusive agreements. Based on the scope of the program, a rights fee may be assessed to the sponsor to associate its name with Angelo State University. These sponsors may not be designated as “Official” or “Exclusive.” ASU departments will need to secure approval of any joint advertisement from the Director of Communications and Marketing. Policies and guidelines for non-Angelo State use still apply;

   c. Sales restricted to campus organizations and departments: Registered student organizations and ASU departments may sell or give away products (such as T-shirts), which display University Marks combined with the names and logos of that organization, department, or activity. These items must relate directly to an on-campus activity sponsored by that organization/department. Items need to be unique and not compete with products and/or artwork available in the retail market and be reproduced accurately by a licensed vendor of Angelo State.

9. **Policies and Guidelines for non-Angelo State Use (includes donor, individual, and commercial use)**

   Reproduction of all University Marks that identify ASU may not be used by private and/or corporate businesses or individuals without the prior expressed written approval of the Director of Communications & Marketing:

   a. Company vehicles- Placing ASU’s University Marks near company information on company vehicles is prohibited, as there will be a likelihood of confusion that the company is a representative of, or sponsored by, ASU (e.g., paint, decals);

   b. Company Name - Use of ASU’s University Marks in their company name is prohibited;

   c. Sale of Commercial Products or Advertising – Use of ASU’s University Marks is prohibited in the sale of commercial products or advertising. ASU’s University Marks cannot be incorporated into off-campus business telephone numbers, Internet addresses, or Internet domain names;

However, any group wanting to use ASU’s University Marks on product, regardless of use, must purchase the product from a current ASU licensee. By supporting ASU's licensing initiatives, organizations can assist ASU by ensuring that products bearing a University Mark are of the highest quality and meet all insurance and contractual requirements. The licensee is responsible for getting the design approved by C&M and remitting the required royalty on the product to OCA;

m. Donors - If a donor wishes to utilize one of ASU's University Marks in some manner, written permission must be obtained from the Director of Communications and Marketing. The verbiage “supporting Angelo State University,” “supporting XXX at Angelo State University,” or “supporting Angelo State Athletics” must be included. All materials using University Marks must be submitted for approval before production and must be purchased from a current university licensee;

n. Booster Clubs - Booster clubs may use sponsor names on merchandise only with written approval from the Director of Communications and Marketing. The organization's name must be included in the design to communicate that the relationship is a partnership with the organization and not with the university. Based on the scope of the program, a rights fee, in addition to royalties, may be assessed;

o. Rights fees and royalties may be assessed for the use of the University Marks in all instances.

10. Unauthorized use of University Marks

Any use of University Marks that does not comply with ASU’s licensing and approval requirements will be considered unauthorized and may violate federal and/or state laws. ASU reserves the right to take appropriate action when confronted with unauthorized uses of its marks. Depending on the facts, such action may include confiscation of goods and
issuance of a cease and desist letter. It can also result in jail time and numerous fines if convicted.

12. Approval by the Director of Communications and Marketing

The Director of Communications and Marketing must grant approval to all outside companies and/or individual/crafters wanting to use any University Marks, even while producing items for an Angelo State affiliated group. If a registered student organization or department is involved in any of the activities deemed as commercial, then the company or individual/crafter from which merchandise is purchased must be licensed by ASU. If a project falls into an exempt category, the Director of Communications and Marketing must issue a waiver to produce the merchandise.

The Executive Director of Materials Management in conjunction with the Director of Communications and Marketing maintains a list of all Angelo State licensees. These licensees have been carefully chosen and are familiar with Angelo State University’s licensing policies and procedures. For assistance in choosing a licensed vendor, please contact the Executive Director of Materials Management at c_admin@angelo.edu or the ASU Logo Information link on the Purchasing website.
