Human Resources Update - Kurtis Neal, Director

− Notices have gone out about the Fair Labor Act Changes and there is a training on Wednesday.
− Marie-Clare Prisco, HR Specialist:
  o Look for a feedback form on the training. Your feedback will help us get all questions answered.
Most of the new faculty are oriented. Now we are focusing on staff. We plan to do the orientations quarterly, and we are adding the Planetarium and tours of the residence halls to the orientation. The next orientation is Friday, October 7 from 8:30-4:30 with a lunch provided.

State Employee Charitable Campaign - Ashley Ammons, Lubbock Area United Way Division Director
- The Texas State Statute established the campaign in 1993 and it offers the only opportunity for state employees to donate to charity through a payroll deduction.
- A committee of state employees runs the greater west Texas area, and greater west Texas was #2 in the state for funds raised. Seventy percent of those funds are going to local organizations based on the donor’s choice.
- The 2016 goal is $1,118,369 and San Angelo’s goal is $70,398. There has been a downward trend in Angelo State giving, so the Staff and Faculty senates are working together to increase awareness of the campaign.
- The directories have 25 word statements and the percentage indicates the amount of funds used for administrative costs. You will notice that many have 0% because they are volunteer based.
- To get the Lone Star Mug, employees need to donate 1% of their annual salary or 1 hour of pay per month and submit the Lone Star Club form to your local campaign manage, Becky Sparks.
