Apply for admissions through angelo.edu

Students must be certain they submit the application at the end. The student’s name used when applying should match their name on their high school transcript.
- Go to angelo.edu/dualcredit
- Select “Learn More about Presidential Scholars”
- Select the plus (+) symbol, located next to “Steps to Apply”
- Create an account to apply for admissions.

Submit a Dual Credit Agreement Form

A signed dual credit agreement form must be submitted to ASU. You can do this by turning it in to your high school counselor.

Submit Transcripts via TREX

Please request a transcript to be sent via TREX with test scores (if possible).

Submit Test Scores for TSI

Students that need test scores are students taking a Math or English class. You may submit EOC scores, TSI assessment scores, ACT scores, or SAT scores (see the TSI chart, below).

Submit Appeals Form (if applicable)

Students who are not in the top half of their graduating class or do not have a 3.0 GPA on a 4.0 scale will need to submit an appeals form for an admissions decision. This form must be signed by the student, parent, and high school counselor.

Be Responsible

Once you are taking dual credit classes, keep up with important deadlines.
