Art 3333 Ceramics 3  
Professor Esteban Apodaca

Problem 1  
Create a wall piece with a high and low relief. Keep in mind of the 20th Century Art to find inspiration. Abstract and or non-representational might be a place to start. Tiles might be one solution to a hanging apparatus. It must be mounted or ready to hang. The size is 20” x 20 “ in the finished state. Stoneware or Earthenware is the media.

Problem 2  
Make five interlocking vessels that have a common theme through out. One vessel cannot represent the chosen theme. Without the other supporting 4. These 5 vessels must interlock in a thematic, conceptual or literal way. A starting point might be to visit the ASU Library. We have at least 20 yrs of Ceramic Monthly Magazines, years of American Craft and internet access to get some ideas. Stoneware or Earthenware is the media.

Problem 3  
Create in clay a machine to scale and detail, reality is a must. Fire extinguisher, fire hydrant, toaster oven, just to name a few. Cell phones and pagers are not to be considered. I must approve the item. Earthenware is the media.

Problem 4  
Create series of 5 pouring vessels-Ewer. The piece should have a tray that holds the ewer. Stoneware is the media.

Problem 5  
Make an assortment of 4 platter with a trimmed foot. These platter must be at least 14” in diameter after firing, It should be easily lifted when the platter has food on it. The parameters for each platter is as follows.  
1. Make the form subordinate to the image/decoration  
2. Make the decoration/surface subordinate to the form.  
3. Make a Modern platter.  
4. Make a platter about color.  
All these platter should be functional. Stoneware is the media.

Problem 6: create demitasse coffee set that entails a serving tray, a coffee pot with lid, 6 small cups and 6 saucers.

Attendance: Absence is counter-productive to learning, for every 3 unexcused absences I will lower your grade by one letter. Class time is class time, there is an expectation of outside work. Arriving late and leaving early will affect your grade. I suggest for every hour in class a ½ hour outside class or work.
I grade only glazed fired finished ware.

Grade Marks Grade meaning
A . Superior Work / Superior quality of design, superior craftsmanship clean edges, no smudges and no glue mark “Perfections”
B. Above Average Work / Excellent quality design, good craftsmanship-good edges few smudges , few glue marks
C. Average Work / Meets requirements assignments, Average design quality, average craftsmanship
D. Below average / Poor work Poor quality of design, Poor craftsmanship
F. Failure / did not meet requirements.

Materials needed
Tool kit scissors
Plastic bucket sand paper
Brush(es) for wax and decoration scouring pads
Cloth pins(8) drawing pad
Work clothes extra clay
Spray bottle plastic bags
ruler

Cells phone are to be silenced during the class. If they ring you will hand me the phone so I can answer it you.
You really don’t want me to answer the phone for you. If there is a need to get hold of you 325-942-2085 ext 221 is the Visual and Preforming
Arts Dept. will get hold of you by that number.
University Course Withdrawal Policy
The last day to drop a course or to totally withdraw from the University will be Thursday, Nov. 2, 2017. Withdrawal grades will be indicated by W
