Course Description and Purpose:
This is the first of a four semester sequence designed to provide basic piano skills necessary for teacher certification. This class will cover basic technique and theory skills as applied on the piano. This class will cover reading, scales and pentascales, chord playing, ensemble playing, and technical exercises.

Assessment: This class will be based on a points system. Each assignment will be worth varying points usually between 0-40 depending on the assignment.

The grading scale is:
90% or higher = A
80% to 89% = B
70% to 79% = C
60% to 69% = D
59% or below = F

Attendance: Attending this class is crucial for your success. Since grades are based on being able to play the required materials, practice is necessary. Since this is a laboratory styled class, I will give ample time during the meetings for practice. This style helps to give a structure and regularity to your practice. At a minimum, by attending class, you will have basically 2 hours per week of practice. Of course, I recommend at least 3 more hours per week of outside practice.

Americans with Disabilities Act Compliance: If you need special accommodations due to a disability please contact the Student Life Office in order to arrange it. They are located at the Garden Level, University Center, (325) 942-2191

Religious Holiday Observance: Religious Holiday Observance Policy 1. “Religious Holy Day” means a holy day observed by a religion whose places of worship are exempt from property taxation under Texas Tax Code §11.20. 2. A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence. 3. A student who is excused under section 2 may not be penalized for the absence; however, the instructor may respond appropriately if the student fails to complete the assignment satisfactorily.
