Course Description:
Private study of principles and techniques of performance on an instrument. For students in the BA program.

Purpose:
The purpose of applied lessons is to provide an environment where the student will develop into a competent and confident musician on their instrument.

Major Course Objectives:
• Developing specific skills, competencies, and points of view needed by professionals in the field most closely related to this course
• Developing creative capacities
• Learning to apply course material

Student Learning Outcomes:
Students will demonstrate correct technical and historical performance practice on at least one instrument or voice. This will include:
• demonstrating a strong foundation in: breathing, tone, rhythm, articulation, intonation, vibrato, scales and arpeggios, etc.
• generating a plausible, style-appropriate performance of repertoire.
• conducting him/herself in an organized, disciplined, and professional manner.

Student Assessment:
Specific items that will be assessed include, but are not limited to: tone, rhythm, articulation, intonation, and musical expression. The student will also be assessed on their attendance, punctuality, and professionalism.

Grading:
Music department policy is that the final applied music grade is a combination of:
• studio lesson grade (2/3)
• jury grade (1/3)

1. Studio Lesson Grade (2/3)
• weekly scales and arpeggios; etudes; repertoire (65%)
• public performances (15%)
• mid-term scale exam (10%)
• demonstrate professionalism: this involves, though not limited to, such things as your interaction and communication with your applied instructor, attending and fully participating in studio classes, Student Recitals and other required events, and your support of your colleagues. (10%)

STUDENTS PERFORMING AT A LEVEL BELOW THE STANDARDS OUTLINED ABOVE WILL EARN AN “F” FOR THIS PORTION OF THE GRADE.

2. Jury Grade (1/3)
A Jury is the Final Exam for Applied Lessons that is performed in front of a panel of three (3) members of the Music Faculty. For this examination you will need to prepare an Instrumental Applied Music Report form; this form can be found on the appropriate professors’ webpage on www.angelo.edu. Bring this prepared form to your final lesson of the semester for approval/corrections. Woodwind juries will take place during Dead Week (the week before final exams) along with all other lab exams. In your jury, you will be required to perform the following:
- Scales and Arpeggios (as detailed in Scale and Arpeggio Requirements)
- A movement of one of your prepared solo pieces with accompaniment (if appropriate)

What you **must** bring with you to your jury:
- 3 copies of your Instrumental Applied Music Report form
- 3 copies of the piece you will perform at the Jury, instrumental part only

*Failure to appear at your Jury without prior notification OR failure to bring the requisite materials with you to your Jury will result in you not performing the Jury and earning a grade of ‘F’ for this portion of your final grade, regardless the type of Jury to be performed.*
**Attendance:**

**Lessons** are once a week at a regularly scheduled time. Unexcused absences are **NOT** permitted. If you miss a lesson and do not contact your teacher prior, you will not be allowed to make up that lesson and your grade will reflect an **“F”** for the missed lesson.

**Studio class** will meet weekly. Attendance is required for all woodwind majors. Unexcused absences and tardiness will be treated the same way as in private lessons. Punctuality is very important in the music world. You are expected to be **on time** and **warmed up** for your lesson and studio class.

**Student Recitals** are a regularly occurring performance avenue for music majors held Wednesdays at 4:00 p.m. All students registered for MUAP 2101 will perform in **one** Student Recital during the semester. Students enrolled in MUAP 1101 are exempt. All students enrolled in applied lessons are required to be concurrently enrolled in MUSI 1000 (Recital Attendance).

**Other Required Events** include events such as your applied instructors’ performances, guest artist masterclasses and recitals within your applied area, Junior and Senior Recitals by your applied studio colleagues, and other events assigned by your applied instructor (see your applied instructor for more information).

**Accompanists:**

Public performance (student recital, jury, etc.) of any accompanied piece **MUST INCLUDE** the accompaniment. If you choose **NOT** to use the staff accompanist, it is your financial responsibility to engage an accompanist of your choice and inform your applied instructor of your choice. You must rehearse with your accompanist at least once before playing the piece in a lesson for your applied instructor.

Maintain a professional relationship with any accompanist and fulfill your financial obligation to them in a timely manner. This applies when you are using a non-staff accompanist.

Failure to follow these guidelines falls into the category of ‘professionalism’ under Studio Grade and may adversely affect your final semester Studio Grade; plan accordingly.

**Practice:**

Daily practice time must be scheduled as though it is another class. Write it in your calendar and treat it as an important daily routine. Practice must not be an afterthought or something that is done **IF** you get done with your homework and work schedule. **Practicing must take precedence over any homework or work schedule you may have.**

It is expected, **WITHOUT CONDITION**, that students practice a minimum of **TWO HOURS** each day. This **does not** include time spent in rehearsals.

**Value statement:**

The music faculty believes that students cannot expect to teach what they themselves cannot demonstrate. Students will be expected to achieve proficiency on their respective instruments. As a result, the student must ensure that his/her instrument takes top priority in his/her music studies. Successful professional educators are also successful performers.
