Course Content: College level courses may include controversial, sensitive, and/or adult material. Students are expected to have the readiness for college level rigor and content. The study, respect, and exercise of First Amendment freedoms are integral aspects of this course, so class debate and discussion is encouraged. However, freedom demands responsibility; therefore, respect for the opinions and ideas of your classmates is expected. The free exchange of information is vital to the pursuit of learning.

Academic Integrity: It is the intent of Angelo State University to foster a spirit of complete honesty and a high standard of integrity. The attempt of students to present as their own any work they have not honestly performed is regarded by the faculty and administration as a serious offense and renders the offender liable to serious consequences, possibly suspension. **In my class, I give a failing grade for any work presented by any student that was not performed by them and possible dismissal from the class.**
