COURSE DESCRIPTION

Spanish 1411 is a beginning Spanish course designed to provide an introduction to the language and culture of the Spanish-speaking world. The students will practice the four language skills (listening/understanding, speaking, reading, and writing) both with the instructor and with classmates. The course materials provide abundant communicative activities along with many form-focused exercises and offer a good variety of authentic cultural materials. National Standards describe the Five C’s of Foreign Language Education: Communication, Cultures, Connections, Comparisons, and Communities. Successful students will learn “how, when, and why to say what to whom.”
