ATTENDANCE POLICY: As a developing teacher, your ability to demonstrate a positive and professional disposition toward your peers, assignments, practicum teacher, and the instructor is essential. You should notify the instructor by email if you are going to miss class or be late. There are two excused absences allowed. Each absence after this will result in the loss of a letter grade for the final grade. A tardy
is when you are more than 5 minutes late for class. After 10 minutes, you will be considered absent.

During the practicum, any absence must be made up and documented by your classroom teacher. **Failure to make-up the absence(s) WILL result in failure of the course.** The professor and classroom teacher MUST be notified immediately of any upcoming absence or late arrival. Please be punctual and on time. You are not only representing ASU, but you are working with potential employers who do watch and make note of the behavior of practicum students. Be sure you have signed in before 8:00 a.m. You should be in the classroom before or by 8:00 a.m. You stay until 10:00 a.m. You must make up the absence in the classroom where time was missed. For example, if you miss two hours at Central, they must be made up at Central, not Reagan.
