Bunker: Drawing 2 Course Syllabus

The main objectives of Drawing 2 are to build upon the technical skills learned in Drawing 1, as well as investigate new media.

**Goals and Objectives**

- Application of basic art terminology.
- Sensitivity toward the aesthetics of form.
- Demonstration of technical skills for mark making, value, line, and line quality.
- Evidence of an inquisitive eye.
- Effective use of a variety of material.
- Practical work ethic.
- Understand artistic integrity as well as what constitutes.

**Course Outcomes**

- Express ideas visually and verbally.
- Create well-crafted and composed two-dimensional images drawn from observation and imagination.
- Demonstrate an ability to convey form, volume and space through mark-making.
- Accept and distribute criticism to further intellectual and technical capabilities.

**Course Requirements**

- Completion of all projects assigned.
- Participation in class exercises.
- All students are required to clean up work areas before leaving the studio and do other studio cleaning as necessary.
- Students will be evaluated on their completion of course requirements. Class projects are expected to demonstrate understanding of the techniques and concepts each assignment emphasizes.

**Project Grading Form**

- ____1. Attention to detail.
- ____2. Completion of assignment as stated.
- ____3. Inventiveness, originality.
- ____4. Demonstrated understanding of concepts.

**Studio Hygiene**

- The studio will require constant work to keep it clean enough to use in a safe and effective manner. The room is small and projects and assignments must be removed when they are complete. All fixative sprays must be used outdoors or in the spray booth.

**Projects**

- There will be 13 projects graded throughout the semester. Each assignment will reflect essentials of drawing as covered in lecture and practice. In the first half of the semester, most of the drawing done in class will not be graded. You will choose from practice drawings in order to find the most accomplished pieces for your grade. In the end, you will have enough for your sophomore portfolio- so you must KEEP the drawings after they are graded. Music is not allowed during any instruction, lecture or during critique (this means physically removing headphones from your ears). Students may listen to music at a low volume using headphones while in production.
**Supplies** I will provide you a very cheap drawing pad for one grade. If you cannot afford anything needed, I can provide the materials. If you do not have supplies, you must still attend class.

- Sketchbook from Dollartree
- Newsprint pad- 18 x 24
- Good drawing paper pad- 18 x 24
- Charcoal sticks- VINE – thick and thin
- Compressed charcoal.
- Bulldog clips (2)
- Pink pearl eraser and a gum eraser
- Metal ruler (no shorter than 12”)
- 2 black china markers (aka grease pencils)
- Assortment of drawing pencils
- Small container to carry supplies

**Grading** Each of the assignments carries the same weight. A: 90-100, B: 80-89, C: 79-70, D: 69-60, F: Anything below a 60. There are approximately 13 grades. Every Friday there will be a graded item turned in, except for The Famous portrait assignment. You will complete many more drawings than you will be graded on. Example: You complete 20 gestural studies but then YOU pick the one you want to have graded.

**Attendance** Class attendance is required by the University. If a student is unavoidably absent (i.e. serious illness, emergencies, etc.) sufficient reason should be given to the instructor by the next class that the student attends. Failure to provide such notification will result in a non-excused absence. Of course, excused absences only will be allowed for serious reasons, such as those mentioned above. Staying home with a head cold is not an excused absence. Three free absences are allowed for one semester of this course. For every absence thereafter, a letter grade will be deducted from their final grade. Six absences constitute an automatic “F.” Written verification of emergency may be required. Perfect attendance will earn you 5 bonus points added onto your final grade.

**UNIVERSITY COURSE WITHDRAWAL POLICY** The last day to drop a course or to totally withdraw from the University is April 2nd.

**UNIVERSITY HONOR CODE** Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding the Academic Honor Code, which is contained both in print and web versions of the Student Handbook.

**ADA COMPLIANCE**

Persons with disabilities which may warrant academic accommodations must contact the Student Life Office, Room 112 University Center, in order to request such accommodations prior to any accommodations being implemented. You are encouraged to make this request early in the semester so that appropriate arrangements can be made.

**POLICY/PROCEDURE FOR RELIGIOUS HOLIDAY EXEMPTION**

1. “Religious holy day” means a holy day observed by a religion whose places of worship are exempt from property taxation under Texas Tax Code §11.20.

2. A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence.

3. A student who is excused under section 2 may not be penalized for the absence; however, the instructor may respond appropriately if the student fails to complete the assignment satisfactorily.

It is essential that you build up your portfolio for your Sophomore Skills Review. For this reason, you are highly advised to keep ALL the drawings you produce unless instructed to get rid of them. The images rendered in charcoal should be sprayed with Fixative. The drawings that you have graded should be photographed to be put on a thumbdrive for a powerpoint presentation during the final.

Try not to be absent on Fridays. If you are planning to be absent, have your drawing be available to grade in your absence.

The Mid-term test is a review of terms used in class. This week we will also have individual portfolio reviews.
