Angelo State University Core Curriculum Objectives for English 1302 and Related Course
Assessments: Students in English 1302 Writing Across the Curriculum will practice the following
core curriculum learning objectives in critical thinking, communication, teamwork, and personal
responsibility. Students will then demonstrate their capabilities in these objectives by writing a
variety of essays.

Critical Thinking: Students will gather, analyze, evaluate, and synthesize information relevant to
a question or issue by employing problem-solving strategies that generate positions and
arguments and by examining the basic principles of information-gathering to support a thesis.

Students will then develop and demonstrate a logical position (i.e. perspective, thesis,
thesis) that acknowledges ambiguities or contradictions by analyzing and evaluating their
own communication and that of others to raise questions, make assertions, and generate
discussion about a topic or question.

Communication: Students will develop, interpret, and express ideas through effective written
communication by taking into consideration audience, purpose, circumstances relevant to
written communication, by using relevant and appropriate content for the specific rhetorical
situation in order to express their purpose(s) effectively.

Teamwork: Students will consider different viewpoints as members of a team by working
toward a shared purpose or goal with members of their team and by creating and evaluating
their peers’ drafts, presentations, and arguments.

Students will work effectively with others to support and accomplish a shared goal by devoting
efforts to team task, interacting with others, contributing to the team, and resolving and
synthesizing divergent viewpoints within a group.

Personal responsibility: Students will demonstrate the ability to evaluate choices, actions and
consequences as related to ethical decision making by identifying their own core beliefs and the
sources of those beliefs in order to connect their choices and actions to decision-making and by
recognizing possible consequences of their decisions.

Grading Policy: The grading policy will be the same as that of AISD. This policy can be found on
the district website and in the Student Handbook.

Student Conduct and University Policies: Students are expected to follow all classroom policies
listed in the course syllabus. District-wide policies can be found in the Code of Conduct on the
district website.

- General Student Conduct Statement: Students are expected to take responsibility in
  helping to maintain a classroom environment that is conducive to learning. In order to
  assure that all students have the opportunity to gain from the time spent in class,
  students are prohibited from making offensive remarks, reading material not related to
class, sleeping, or engaging in any other form of distraction. Inappropriate behavior in
the classroom shall result, at a minimum, in a request to leave class. A more detailed list
of inappropriate behaviors is found in the Student Code of Conduct.
• **Student Technology Use in Classroom Policy:** Use of communication devices, including but not limited to cell phones, is encouraged during class. Laptops may be used for research, note-taking, or composing only, however. Any exception to this policy may be granted at the discretion of the instructor. Use of any communication device or data storage device during a test, unless express permission has been granted by the instructor, may result in a charge of academic dishonesty.

**Course Content:** College-level courses may include controversial, sensitive, and/or adult material. Students are expected to have the readiness for college-level rigor and content.

**Academic Honesty:** Angelo State University students shall maintain complete honesty and integrity in their academic pursuits. The University expects all students to engage in all academic pursuits in a manner that is above reproach and to maintain complete honesty and integrity in the academic experiences both in and out of the classroom. The AISD Grading Policy will be followed with regard to any infraction involving academic dishonesty.

**Accommodations for Students with Disabilities:** The AISD Grading Policy will be followed with regard to any student who needs accommodations.

**Attendance:** The attendance policy for the course will follow the attendance policy of AISD, which can also be found in the AISD Student Code of Conduct.
