Kat Bunker Research Class

Course Description
Research classes are highly customized to the individual student. These classes are meant to be a final push towards a graduate degree in art.

Course Objectives
The professor and student will determine a rate of progress and number of works to be produced. The student must be able to both talk and write about his or her work.

Grading
Grading will be based on a rate of progress, completion of work, and ability to discuss work. Being able to accept criticism, and move forward from that, is essential to success.

Absences
Research classes meet at a time established between the student and professor, so an absence is any time a student misses an established appointment.

UNIVERSITY COURSE WITHDRAWAL POLICY
The last day to drop a course or to totally withdraw from the University is April 2, 2018.

UNIVERSITY HONOR CODE
Angelo State University expects its students to maintain complete honesty and integrity in their academic pursuits. Students are responsible for understanding the Academic Honor Code, which is contained both in print and web versions of the Student Handbook.

ADA COMPLIANCE
Persons with disabilities which may warrant academic accommodations must contact the Student Life Office, Room 112 University Center, in order to request such accommodations prior to any accommodations being implemented. You are encouraged to make this request early in the semester so that appropriate arrangements can be made.

POLICY/PROCEDURE FOR RELIGIOUS HOLIDAY EXEMPTION
1. “Religious holy day” means a holy day observed by a religion whose places of worship are exempt from property taxation under Texas Tax Code §11.20.

2. A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. A student who is absent from classes for the observance of a religious holy day shall be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time after the absence.

3. A student who is excused under section 2 may not be penalized for the absence; however, the instructor may respond appropriately if the student fails to complete the assignment satisfactorily.
