COURSE DESCRIPTION: This is an introduction course to the field of Sociology. You will be graded on your overall understanding of Sociology and its various components.

LEARNING OBJECTIVES:
Our objectives in this course include, but are not limited to:

- To learn what Sociology is as a field of study and what it has to offer to society as a whole.
- To gain an understanding of the ways that social factors influence the various dimensions of behavior.
- Discussion and understanding of the major concepts of Sociology, as well as an overall understanding of sociological research and exploration.

**REQUIRED TEXT:**
Macionis, J (2016). *Sociology*. 15th or 16th. (Either will do.)

**GRADE CRITERIA:**
The course grade will be based on the following weights:

- **Examinations:** 50%
- **Reflection Paper/Writing Assignment:** 25%
- **Message Board Responses:** 25%

**EXAMINATIONS:** There will be two exams during this semester: A midterm exam (100 points possible; 50%), which covers Chapters 1-6 and the final exam, which will cover Chapters 7-12 (200 points possible). Each test will be available for a seven-day time period, from 8:00AM on Monday until the next Sunday at 11:59PM.

The exams are composed of multiple-choice and true-false questions. There will be 100 questions (worth 1 point per question), and you will have 3 hours to complete it. The test for a given week will be available until 11:59 PM, of the assigned week and may be taken three times. After the third attempt has been used, exam access will lock.

- Access to quizzes and exams will be through Respondus™ Lockdown Browser and will be video recorded via Respondus™ Monitor [See Other Required Materials for a list of needed equipment]. Use of another electronic device is prohibited.

There are two practice quizzes: a) one is a Webcam test and b) a short 10 question practice quiz over ASU trivia that is not graded. These tools will be available to the student to assure accessibility. Students are highly encouraged to go through these practice quizzes in advance of taking a graded quiz. This process will allow you to become familiar with the technology associated with testing and improve the testing environment. These quizzes, instructional videos, and more information regarding Respondus Monitor can be found under the Respondus Monitor Help tab in your Blackboard course.

**Technical Assistance:** If you have any technical problems associated with the test (i.e. webcam problems, lock down browser problems) you should contact the IT Department. The IT Service Department is open M-F from 8-5 and the number is
(325) 942-2911. If you call any time after 5 or on the weekend, most likely you will not be able to get assistance until the following week day, so please plan accordingly.

Other Notes:

- Be sure not to mute your microphone. It is important that the audio be on.

- Be sure to have a light source in front of or next to your computer monitor. If your image is dark and difficult to see on the “Student Photo” step, please add lighting to the front of your computer and retry.

- Make sure that on the “Student Photo” step, you are nicely framed so your face and shoulders can be seen as well as some of the background.

- ***** Use an Ethernet cord to “hard wire” your computer to the router helping to ensure you will not lose connection with Blackboard.

REFLECTION ASSIGNMENTS (3): Each student will be required to complete three, short writing assignments taken from specific course content. The paper requirements and topics can be found on Blackboard, and are each worth 100 points possible; 25%.

MESSAGE BOARD RESPONSES: Along with the assigned readings, during the weeks assigned, you are to contribute to the discussion board. The general topics will be found under the Discussion Board and will be conducted in Groups of 4. You are to respond to the general topic, and respond to the posts of those in your group. Message board posts, (general and responses) must be 1) relevant to the topic at hand, 2) free of any profanity or vulgar vocabulary, and 3) at least 4 sentences in length. Initial responses will be due on Thursdays of the assigned week, and responses within your group will be due on Sundays. Each post (initial and response) are worth 100 points; 25%.

INCOMPLETE GRADE POLICY
It is policy that incomplete grades be reserved for student illness or personal misfortune. Please contact faculty if you have serious illness or a personal misfortune that would keep you from completing course work. Documentation may be required.

POLICY ON MAKE-UP WORK
Each of the tests and writing assignments give you seven days to complete the work. That should be an ample amount of time. To protect yourself against unexpected emergencies, DO NOT WAIT UNTIL THE LAST DAY TO DO YOUR WORK. In order to qualify for leniency on missed work, your reason will need to cover the entire week in which it could have been done.

STUDENT ABSENCE FOR OBSERVANCE OF RELIGIOUS HOLY DAYS
“A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence.” Please see ASU Operating Policy 10.19.

Note: The last day to withdraw from this class with a “W” is Monday, April 2, 2018.
ACADEMIC HONESTY
Academic honesty is expected on all work. Students are expected to maintain complete honesty and integrity in their online experiences. Any student found guilty of any form of dishonesty in academic work is subject of disciplinary action and possible expulsion from ASU.

The Department of Psychology, Sociology, and Social Work adhere to the academic honesty statement as set forth in the Angelo State University Student Handbook (2011-2012) http://www.angelo.edu/content/files/17358-university-honor-code. The University "faculty expects all students to engage in all academic pursuits in a manner that is above reproach and to maintain complete honesty and integrity in the academic experience both in and out of the classroom setting and may initiate disciplinary proceedings against a student accused of any form of academic dishonesty, including but not limited to, cheating on an examination or other academic work, plagiarism, collusion, and the abuse of resource materials."
