When to turn in sponsorship letters or exemption information

Sponsorship information should be turned in at least five days prior to the payment deadline in order to guarantee processing by the deadline.

How to set up an authorized user for E-payments

For security purposes, we encourage all students to set your parents up as authorized users. This eliminates the need to give your parents your password for RamPort.

When you complete this process, a temporary password will be sent to the e-mail address you supply.

1. Log in to RamPort.
2. Click on Student Services.
3. Click on Pay My Bill.
4. Click on My Account.
5. In bottom left corner, click on New User.
6. Add payer information and save.

How to make an electronic payment
