

Portfolio Requirements:

Prior to departure:

Part I:

1. State three goals, two of these goals need to be academic goals, you hope to achieve through this study abroad program (You should write about 1 page per goal)
2. Find out about at least five current events going on in the countries you are visiting (You should write about one page for all five events)
3. Find out about the relationship between the USA and the countries you are visiting. Consider historical and political aspects. (You should write about one page)

Good sources to find information:

CIA World Report

Culture Grams on our Webpage

Each point needs to be addressed in essay format. The portfolio needs to be typed (Font: Times Roman, double-spaced, 12 point)

Part II:

At the end of the study abroad program (or immediately upon your return) you have to write a one page evaluation of how you have achieved your three goals set prior departure. You have to address each goal achieved in a separate paragraph. The evaluation needs to be typed (Font: Times Roman, double-spaced, 12 point)
