

CITR & OSP

APPLICATION 2009 SUMMER RESEARCH INSTITUTE JULY 20 - 22, 2009

OVERVIEW

The CITR, the Office of Sponsored Projects (OSP), and the College of Graduate Studies seek applications to fund 14 individuals to attend a 3-day Summer Research Institute in Fredericksburg, TX. Funding will include registration, lodging, meals, and travel (Texas state travel guidelines stipulate that 4 individuals must travel together for mileage reimbursement. Individuals traveling in their private cars with fewer than 4 people will have to fund mileage through sources other than the College of Graduate Studies).

Applications that best answer the following questions will be selected for funding (limit response to one page). The CITR, the OSP, and the College of Graduate Studies will review and score the applications. **Applications are due to the CITR by 5:00 p.m. on Friday, June 19, 2009.** The CITR and OSP will notify applicants of their funding status by Monday, June 29, 2009.

1. How will attending the Research Institute assist or benefit you in the start-up, development, and/or advancement of your research career at Angelo State University?
2. How will attending the Research Institute benefit Angelo State University and your students?
3. How will attending the Research Institute impact your professional development, performance reviews, or promotion plans?

Department Approval & Commitment: The signature of the department head indicates department approval of faculty attendance at the Research Institute.
