

The Multicultural Center wants to invite you to participate in the **BOOK SWAP**.

This is how it works...you have different options to take ADVANTAGE of the trade/sale/rental of textbooks. It will be a WIN-WIN situation because the seller will get more money than if they sold it back to the original vendor and the buyer will buy their books much cheaper!

For more information or to view the list of books available come by the Multicultural Center in UC 114, or email us at multicultural@angelo.edu.
