Required Information to Residential Programs	Log in to MyHousing to update preferences or participate in the roommate request lottery	Auto-assignments made and assignments on MyHousing
By May 25 th	May 28 – June 6	June 10
May 26 – June 7	June 9 – June 11	June 17
June 8 – June 28	June 30 – July 2	July 8
June 29 – July 12	July 14 – July 16	July 22
July 13 – August 6 and later	Roommate Request Lottery only if needed (TBD)	Auto or manual assignment depending on space availability.

IMPORTANT NOTE: Please do not wait to turn in your application, non-refundable application fee and Proof of Meningococcal Meningitis Vaccination...especially if you have a roommate preference or specific hall preference. **You will be included in the Auto-Assignment process based on your date of completed application/Fee/Proof of Meningitis, NOT based on which Orientation session you plan to attend.** Even if you are coming to a summer orientation session later in the summer, you can participate in an earlier auto-assignment process.

Once all available spaces have been filled, all remaining assignments will be to overflow spaces at Concho Hall.

Requests to live with a specific roommate/suitemates must be mutual and you both/all need to be in the same lottery process. *New students participate in the auto-assignment process where the system will match you to a roommate based on personal preference information that you will enter with your application or on mutually requested roommates during the Roommate Request Lottery. Please bear in mind that this is NOT a guarantee that you will be matched to any or all of the people you request. Space availability may be limited.* Please make sure to update your Personal Preferences in MyHousing by the last day of the roommate request lottery before auto-assignment is complete. More detailed information about MyHousing and choosing a room or roommate can be found in the **confirmation documents** you can print out at the end of Apply on-line. The confirmation documents can also be found on our [web page](#)
