## RESEARCH

- San Angelo Index of Elders, 2011: Created an index that uses 30 indicators to describe elder residents that reside in San Angelo's census tract neighborhoods
- SAPD Survey: Conducted a survey for SAPD to assess the community's perception of the police department and safety within our community
- YouthBuild-San Angelo Project: Provided research support to Rebuilding Together San Angelo in the organization's successful effort to bring a YouthBuild program to San Angelo
- Legal Aid ASU Project: Established a working relationship with Legal Aid of West Texas to provide internships for ASU pre-law students and legal advisement for ASU students and members of the local community
- Texas Hunger Initiative San Angelo Project: Provided data analysis and needs assessment support to the organization
- House of Faith Project: Provided data analysis support so that the organization could evaluate program achievements and have the essential data needed to support grant proposals (with Dr. Alaric Williams)
- Conducted survey for the San Angelo Metropolitan Planning Office and the Texas Department of Transportation
- Conducted survey for the San Angelo Metropolitan Planning Office, 2009
- Conducted survey for the San Angelo Community Development office, 2009
- ASU Faculty Enhancement grant, spring 2009
- Program Director of ASU Community Development Initiative (CDI), 2009 to date
- *Concho Valley Children's Social Health Index* that provides timely and reliable information so that regional governments and interested community organizations can develop public policies, human-service reforms, and community supports that more effectively meet the needs of our children and their families.  
<http://angelo.edu/dept/cdi/kids%20count/index.html>

- The *San Angelo Social Capital Index*: (with Ken Stewart ). The CDI published the initial index in 2009. The goal of this CDI ongoing research project is to develop an index measurement of the social resources available in the San Angelo community to address major challenges to local development. <http://www.angelo.edu/dept/cdi/sashi09.html>
- The *San Angelo Social Health Index*: (with Ken Stewart). This signature CDI research project uses 18 indicators to index, measure, and track major social problems challenging the development of the San Angelo community since 2000. <http://www.angelo.edu/dept/cdi/sashi09.html>
- *The NAIL*: This project strives to create programs designed to strengthen the ability of San Angelo and Concho Valley residents to improve their neighborhoods and allow community development to occur naturally.
- Conducted survey for the San Angelo Metropolitan Planning Office and the Texas Department of Transportation. **GOAL**: To identify parental concerns about the safety of their children when walking/biking to and from school
- Conducted survey for the San Angelo Metropolitan Planning Office, 2009. **GOAL**: To analyze public attitude about San Angelo transportation needs and update the 2004 plan
- Conducted survey for the San Angelo Community Development office, 2009. **GOAL**: To identify the social and economic needs of local low-income neighborhoods
- ASU Faculty Enhancement grant, spring 2009. **GOAL**: To identify the social and economic needs of local low-income neighborhoods and initiate solutions to address them
- Concho Valley Children's Advocacy Center, 2005 (with William Fuller). **GOAL**: To assess the level of public knowledge about the Center's programs and activities
- San Angelo Metropolitan Planning Organization. 2004. **GOAL**. To analyze public attitude about San Angelo transportation needs.
- San Angelo Planning Department, 2004. **GOAL**: To determine the public transportation needs of San Angelo citizens.
- Concho Valley Council of Governments, 2002. **GOAL**: To assess the public transportation needs of rural residents.
- City of San Angelo, 2001. **GOAL**: To assess the need for bicycle and pedestrian pathways in San Angelo neighborhoods
- Project AYUDAR, 1998. **GOAL**: To determine the extent of drug use and drug dependency of Tom Green county youth
- San Angelo Chapter of the National Association for the Advancement of Colored People, 1998. **GOAL**: To analyze criminal prosecution and sentencing
- Honorable Charles Stenholm, United States House of Representatives, 1995. **GOAL**: To determine the extent and cost of social services provided by public social agencies within the Congressman's district.
- Institute of Urban Studies, The University of Texas at Arlington. *Professional Leadership in Regional Government: Style Preferences of Executive Directors and Their Implications for the Future of Councils of Government*, 1992. **GOAL**: To determine Councils of Governments executive leadership patterns (with Sherman Wyman).
- Region VI Transportation Consortium at Texas A&M University. *Fuel Efficiency in Public Transportation*, 1991. **GOAL**: To determine energy consumption patterns and to

identify possible energy conservation programs that will benefit urban transit authorities throughout Texas.

- Houston Metropolitan Transportation Agency. *Minority Attitudes Toward Transportation Mobility Plan*, 1991. **GOAL:** To evaluate African American and Hispanic attitudes toward Phase II of the Harris County Transportation Mobility Plan.
- Region VI Transportation Consortium at Texas A&M University. *Citizen Attitudes Toward Transportation Mobility Plans in Texas Municipalities*, 1991. **GOAL:** To evaluate citizen attitudes toward transportation mobility plans in Texas.
- Texas State Attorney. *The Impact of At-Large Elections in Texas State Judicial Races*, (with Delbert Taebel and Richard Cole), 1989. **GOAL:** To determine the impact of at-large elections on Hispanics in Texas State Judicial races
- City of Arlington, Texas. *Teen Court Evaluation for the City of Arlington, Texas*, (with Rodney Hissong), 1989. **GOAL:** To analyze program effectiveness and teenage recidivism
- Texas Departments of Commerce, Corrections, and Employment, and Texas A&M University. *The Impact of Project RIO on Ex-Offenders*, 1989. **GOAL:** To determine the impact of employment program on ex-offenders
- Tarrant County Appraisal District. *Tarrant County Appraisal District Evaluation*, (with Paul Geisel), 1988. **GOAL:** To propose an enhanced private property appraisal system
- City of Coppell, Texas. *Coppell, TX 2000 Project*, (with Paul Geisel) 1988 **GOAL:** To assist the city manager and council in the development of a strategic planning effort that addressed community needs.
- County of Tarrant, Texas. *Tarrant County 2000 Project*, (with Delbert Taebel, Susan Lew, Nirmal Goswami), 1988. **GOAL:** To assist Tarrant County planners in the development of a strategic planning effort that addressed county needs.
