ACADEMIC APPOINTMENTS

Angelo State University, College of Nursing and Allied Health, San Angelo, TX

July 2008-Present

Dean

Responsible for administrative duties for newly established College, currently consisting of the Departments of Nursing and Physical Therapy.

Angelo State University, Department of Nursing, San Angelo, TX

June 2003-July 2008

Professor and Department Head

Responsible for administrative duties for NLNAC-accredited Associate of Applied Science in Nursing degree, online RN-BSN degree, and online Master of Science in Nursing degree programs with more than 300 majors, 22 faculty members, and 7 staff members. Responsible for teaching graduate nursing education courses including Curriculum and Instruction and Roles of the Teacher.

1998-2003 Graduate Level Director, Professor

Responsible for the overall operation of the Graduate Nursing Program. Supervised the development, implementation, and evaluation of the graduate nursing curriculum. Responsible for teaching a number of graduate nursing courses. Facilitated and evaluated faculty involvement in each aspect of the curriculum process. Further responsibilities included liaison with faculty of other departments regarding interdisciplinary participation and collaboration with other level directors, Department Head, and University Graduate Council.

1993-1998 Department Head, Associate Professor

Responsible for administrative duties for NLNAC-accredited Associate Degree in Nursing and RN-BSN degree programs with more than 400 majors, 26 faculty members, 8 staff members, and a newly implemented Master of Science in Nursing degree program with over 30 enrolled students.

1993-1994 Assistant Department Head, Associate Professor

Taught clinical and lecture courses at the AASN and RN-BSN level.

- Assisted the Department Head in carrying out administrative responsibilities of the Nursing Department including the implementation of University and departmental policies, supervision of student admissions, recruitment of students, curriculum development, and advisement.
- Served as the chairman for the Master of Science in Nursing program development, with primary responsibility for developing the written proposal.
- Taught a full course load at the baccalaureate level including Trends, Women's Health, and Nursing Research.

1991-1993 Associate Professor, Half-time

- Responsible for a number of courses in the BSN program including Nursing Research, Trends, and Women's Health.

1984-1990 Assistant Professor

- Responsible for a number of courses in the B.S.N. program including Nursing Research, Trends, Physical Assessment, Community Health, and Management.
- Responsible for Pediatric lectures at the Associate Degree level.
- Served as co-chairman, NLN Accreditation Self-Study Committee (BSN).
