

OWL Registration – General Chemistry 1412, Spring 2012, Angelo State University

Dear ASU CHEM 1411 Students,

We will be using OWL (Online Web Learning) as our online homework system this semester. You will need to get an access code and register for OWL in order to get homework credit. Here are your directions to get access.

First you'll also need an access code for OWL, which you can purchase in these ways:

1. Your new textbook may be packaged with a printed card that contains an access code.
Or, your bookstore may offer the printed card on its own (without the book).
2. You can buy an instant access code online (see below for detailed instructions).

Access codes are valid for either 6 months (one semester) or 24 months (four semesters).

If you plan to take General Chemistry II (CHEM 1412), then the 24-month option is more cost effective. Textbooks are packaged with the 24 Month Option.

Discount Code for \$10 on online purchases: **FALL2011**

Each access code is valid for one OWL course. For example, you will need to buy another access code for Organic Chemistry even if you have time left on your General Chemistry access code.

Buying an Instant Access Code Online

If your new book did not come with an OWL access card, you can use a credit card to purchase and immediately receive an access code from the online store.

1. Go to www.cengage.com/owl and find your course in the red box.
2. Choose **Buy an access code** from your course's red dropdown menu.
3. Click the tabs at the top of the next page to choose your subject.
4. Find your textbook, and then click the desired length of OWL access.
5. A new window will open in our online store, CengageBrain.com, with the appropriate instant access code in your shopping cart.
6. Follow the directions to purchase the code. Note: You can only register OWL access codes at www.cengage.com/owl. Please ignore any offers to register your access code at www.cengagebrain.com.

After your purchase is complete at CengageBrain.com, you can get your Instant Access Code in any of these ways:

- You'll receive an email containing the access code and OWL registration information at the e-mail address that you provided during the purchase.
- Go to www.cengagebrain.com and log in to your account using the username and password you used to purchase your code from CengageBrain. On the My Home page, click **Open** next to the OWL product that you purchased to view a duplicate of the e-mail with the access code and OWL registration information.
- You can call Cengagebrain.com Customer Service at (866) 994-2427 or email them at cengagebrain.support@cengage.com.

Registration and Log In

After you have an access code, you can use it to register in OWL and then you can log in to your course.

1. To use OWL for the first time, go to www.cengage.com/owl and choose your course from this red box, and then choose **Register**.
2. On the next page, choose your textbook.
3. On the next pages, choose your school, and then click the blue arrow under **Student Registration**.

4. Choose your course and section. If you don't see the correct course and section names of the class you are taking, go back to steps 1-3 and make sure you chose the correct textbook and school. If you still don't see your course, tell your instructor.

You will need to register for both the lecture and lab OWL sections. Initially register in the correct lecture section. Once you log in, you will be able to add the lab. A video of showing how to register for both lecture and lab is found at

http://www.angelo.edu/faculty/dcarter/Trial_Registration/

5. Enter your information in the Self-Registration Form. Enter your access code and click **Continue** to complete the registration process.

Student Number should be your 8 digit ASU student ID (digits only, **no hyphens**)

Email Address should be your ASU student email address (if possible)

6. After you see the Successful Registration confirmation, click **Login Page** at the top of the screen. Bookmark the login page for future visits. Here you'll enter the login name and password you chose during registration.

Logging In to OWL

1. After you register, if you forget to bookmark your OWL login page, you can always log in from www.cengage.com/owl.

2. Choose your course and then choose **Log In**.

3. Choose your textbook and then choose your school.

4. Click the blue arrow under **User Login Page**. On the next screen, enter the login name and password you chose during registration.

If you need help, go to www.cengage.com/owl and choose Support at the top of the page.
