Organization: Family Planning Center (Planned Parenthood – West Texas)

Mission Statement:

“Planned Parenthood believes in the fundamental right of each individual, throughout the world, to manage his or her fertility, regardless of the individual's income, marital status, race, ethnicity, sexual orientation, age, national origin, or residence. We believe that respect and value for diversity in all aspects of our organization are essential to our well-being. We believe that reproductive self-determination must be voluntary and preserve the individual's right to privacy. We further believe that such self-determination will contribute to an enhancement of the quality of life and strong family relationships.”
