Information on the University's housing policy may be found in the current UNIVERSITY BULLETIN or on-line at the above Web address.

All single full-time undergraduate students with less than 60 semester credit hours of college level work who do not live with parents are required to reside in university-owned housing. Any deviations from this policy must have written approval from the Director of Residence Life.

The larger undergraduate scholarship awards are normally made to qualified students who reside in University housing, and all or a portion of the scholarship award for a single undergraduate student may be made with the condition that the recipient will reside in University housing. The scholarship awards may be adjusted for such students who subsequently reside off campus.
