DISBURSEMENT	<p>As part of the on-line Loans By Web™ application process, the parent PLUS borrower will choose a lender. Most lenders participate in the Electronic Funds Transfer (EFT) process for the disbursement of loan proceeds. Loan proceeds disbursed to ASU via EFT will be credited to the student's ASU account for the appropriate enrollment period. Any refund generated will be automatically delivered to the student through his/her ASU OneCard refund option.*</p>
	<p>If the chosen lender does not participate in the EFT process, the loan proceeds will be disbursed via paper check. Paper checks will not be credited to the student's ASU account and will be mailed to the parent borrower. An additional 10 to 15 business days must be allowed for the manual processing of a paper check. Arrangement for the payment of the student's account must be made through other means.</p> <p><small>* If the parent borrower does not want a refund generated by EFT proceeds to be delivered to the student through his/her ASU OneCard refund option, a written request must be submitted to and received by the Financial Aid Office (attn: Loan Coordinator) at least 3 business days prior to the scheduled disbursement of the proceeds to ASU. Arrangements will be made to produce and mail a check for the refund made payable to the parent borrower. An additional 10 to 15 business days must be allowed for the manual processing and mailing of the paper refund check.</small></p>
