Minutes October 3, 2011

Present: Dr. Rallo, Dr. Carter, Dr. Emmons, Dr. Limbaugh, Dr. Logan, Dr. May, Mr. Reid

Dr. Logan reported that 25 standards had been submitted to go to the Compliance Certificate editor. Of those
12 standards were sent to the editor,
2 were sent back to the originating committee,
a group of 6 related standards were having small changes made before
being sent to the editor, and
5 are being read by ASU readers before being sent to the editor.

The presentation of a number of supporting documents is being discussed with the editor.

Dr. Limbaugh gave an update regarding where ASU stands currently regarding distance education and the federal requirements about access. Discussion ensued.

Dr. Carter reported the status of the QEP. Discussion ensued regarding QEP budget, QEP designation of courses, and faculty involvement in community engagement and undergraduate research.
