

ASU Rugby Host Packet

Campus map

Campus map URL: http://www.angelo.edu/publications/campus_map/index.html

Important Notes

1. San Angelo has three major streets; Knickerbocker, Sherwood Way (Beauregard) and Bryant (Abe). Sherwood Way turns into Beauregard and Bryant turns into Abe as you move toward the downtown area.
2. Alcohol is not allowed at the rugby field. Anybody that is found to have alcohol will be required to leave the premises. We want to thank everybody up front for cooperating with this university requirement.
3. Visiting teams are asked to not use pre-game chants, lineout calls or match rituals of an offensive nature. Families, including children, as well as members of the ASU and San Angelo community do attend our matches.
4. Directions to our pitch for some of the major cities is provided toward the end of this document.
5. Nearby hotel, restaurant and hospital information is provided on the next page.
