I understand that in order to register for Interfraternity Formal Recruitment, I must be currently enrolled as a full-time student (12 or more hours), and meet the Interfraternity Grade Point Average minimum requirement of 2.25. I authorize the Center for Student Involvement at Angelo State University to verify my academic status, grade point average, and standing, and to share that information with fraternities for recruitment purposes only. I have never been initiated as a member of any National Interfraternity Conference / Pan-Hellenic Fraternity.
