

ASU RESIDENTIAL CAMPUS TASK FORCE

As approved by Dr. Rallo 10/28/08

December 3, 2008

TASKS

- Defining what “residential campus” means at ASU
- Plotting out growth to 10,000 students in comparison to residential/bed space both on campus and in the community
- Benchmarking against other campuses that identify themselves as a residential institution

GOALS

1. Defining the concept of a residential campus at ASU
2. Establishing a set of priorities
3. Establishing a set of criteria for measurement of success
4. Providing a set of recommendations regarding residential facilities and services that can be used for ASU’s master facilities plan, academic plan, and overall strategic plan

TIMELINE

The Task Force will submit its recommendations to the President no later than June 1, 2009.
