

# Transitional Services

## Center for Academic Excellence

Knowledge, awareness, and encouragement empower students and enhance their opportunity for academic success.

We serve the needs of ASU students by creating a comfortable, inviting, and helpful environment that promotes academic success and graduation from Angelo State University.

### *Transitional Services—*

- Assists with the academic support needs of ASU students
- Provides information to meet the academic needs of ASU students
- Provides assistance and/or referrals in the following:
  - Admissions information
  - Academic services assistance
