Section C. Education-Related Databases Available from the Porter Henderson Library

The first group of databases contains those which have been identified as the most useful for Educational research. The following group contains those resources that will also prove helpful, depending on the topic(s) involved.	
Database	Description
Education Research Complete	A bibliographic and full text database covering scholarly research and information relating to all areas of education. Topics covered include all levels of education from early childhood to higher education, and all educational specialties, such as multilingual education, health education, and testing. Education Research Complete also covers areas of curriculum instruction as well as administration, policy, funding, and related social issues. The database provides indexing and abstracts for more than 1,870 journals, as well as full text for more than 1,060 journals. This database also includes full text for 133 books and monographs, and full text for numerous education-related conference papers.
ERIC	Sponsored by the U.S. Education Dept., the ERIC provides extensive access to educational-related literature, including coverage of conferences, meetings, government documents, theses, dissertations, reports, audiovisual media, bibliographies, directories, books and monographs. ERIC contains more than 2,200 digests along with references for additional information and citations and abstracts from over 1,000 educational and education-related journals. Subjects include adult, career, and vocational education, counseling and student services, disabilities and gifted education, higher education, information and technology, elementary and early childhood education, rural education and small schools, teaching and teacher education, and assessment and evaluation. The Library has made access to ERIC available through three interfaces (Cambridge Scientific Abstracts, EBSCOhost and FirstSearch).
Professional Development Collection	Designed for professional educators, this database provides a highly specialized collection of nearly 550 high quality education journals, including more than 350 peer-reviewed titles. This database also contains more than 200 educational reports.
Teacher Reference Center	Index of over 260 titles from the most popular teacher and administrator trade journals, periodicals, and books. This database provides coverage on key education topics such as Assessment, Continuing Education, Current Pedagogical Research, Curriculum Development, Instructional Media, Language Arts, Literacy Standards, Science & Mathematics, and more for K-12 Teachers & Librarians.
Academic Search Complete	A comprehensive scholarly, multi-disciplinary full-text database, with more than 5,300 full-text periodicals, including 4,400 peer-reviewed journals. In addition to full text, this database offers indexing and abstracts for more than 9,300 journals and a total of 9,810 publications including monographs, reports, conference proceedings, etc. This scholarly collection offers unmatched full text coverage of information in many areas of academic study including: biology, chemistry, education, ethnic & multicultural studies, law, mathematics, psychology, and other fields.
ArticleFirst	Tables of contents and indexing to articles from over 12,000 journals covering topics such as humanities, social science, medicine, technology, and popular culture.

Section C. Education-Related Databases Available from the Porter Henderson Library

Communication & Mass Media Complete	CMMC incorporates CommSearch (formerly produced by the National Communication Association) and Mass Media Articles Index (formerly produced by Penn State) along with numerous other journals to create a research and reference resource in the communication and mass media fields. CMMC offers cover-to-cover ("core") indexing and abstracts for over 300 journals, and selected ("priority") coverage of over 100 more, for a combined coverage of over 400 titles. Furthermore, this database includes full text for nearly 200 journals. Many major journals have indexing, abstracts, PDFs and searchable citations from their first issues to the present (dating as far back as 1915).
Dissertations Abstracts	Includes citations to dissertations from accredited U.S institutions since 1861. Selectively covers masters theses, Canadian dissertations, and European dissertations. Has abstracts for dissertations beginning July 1980 and masters theses beginning spring 1988.
Electronic Collection Online (ECO)	A growing collection of scholarly journals in a variety of subject areas including education, medicine, psychology, science, and technology. Full text articles are available only for the journals selectively licensed by the Library
JSTOR	Online archive of <i>non-current</i> issues of scholarly journals grouped into multidisciplinary and discipline-specific collections.
MasterFILE Premier	MasterFILE Premier contains full text for 2,005 periodicals covering general reference, business, health, education, general science, multicultural issues and much more. This database also contains full text for more than 320 reference books, 84,074 biographies, 86,135 primary source documents, and an Image Collection of 107,135 photos, maps & flags. MasterFILE Premier now offers PDF backfiles (as far back as 1975) for key publications including American Libraries, Foreign Affairs, History Today, Judaism, Library Journal, National Review, Saturday Evening Post, etc.
Middle Search Plus	Provides full text for nearly 140 popular magazines for middle and junior high school research. All full text articles included in the database are assigned a reading level indicator (Lexiles), and full text information dates as far back as 1990. Middle Search Plus also contains 84,011 biographies, 83,472 primary source documents, and an Image Collection of 192,999 photos, maps and flags. This database is updated daily.
PapersFirst	Provides access to individual papers presented at conferences worldwide. A major research aid covering every congress, symposium, exposition, workshop, and meeting added to The British Library Document Supply Center's (BLDSC) vast proceedings collection since October 1993.
Physical Education Index	Abstracts covering a wide range of physical education - related subjects including dance, health, kinesiology, physical education, physical therapy, recreation, sports, and sports medicine
Primary Search	Provides full text for nearly 70 popular, magazines for elementary school research. All full text articles included in the database are assigned a reading level indicator (Lexiles), and full text information dates as far back as 1990. This database is updated daily.
