Course Goal:

The major goal of this course is the training of preservice teachers who are:

- Knowledgeable about informal and formal assessment measures in reading and writing as defined by TEKS and TAKS.

Course Objectives:

- Understand appropriate uses and characteristics of screening devices, formal and informal assessments related to literacy development
- Understand how to use multiple assessments and the results of these assessments to inform reading and writing instruction
- Knowledge of the English/Language Arts TEKS (Kindergarten-6)
- Knowledge of the TExES EC-6 Reading/English Language Arts (Standard X)
- Knowledge of a variety of strategies and materials for literacy development

- Encourage students to understand the uniqueness of each individual child and that appropriate instruction is based on needs of the learner first and on the requirements of state and local mandates second
- Completing a field based experience in an elementary classroom
