

## **University Supervisors' Training**

Before each semester, Supervisors for student teachers meet with the Field Experience Advisor. Items on the agenda of the meeting include Sexual Harassment Training, Inter-rater Reliability, and Dispositions Assessment. (See sample agendas below.)

Supervisors previously trained in TaskStream are able to receive help as needed from the Field Experience Advisor. New Supervisors receive training from Buddy Luce, who is a Supervisor who has experience with the system.

University Supervisor Meeting Agenda  
August 17, 2011
