The University disclaims any terms and conditions provided by the Vendor unless agreed upon in writing by the parties. In the event of conflict between these terms and conditions and any terms and conditions provided by the Vendor, the terms and conditions provided herein shall prevail.

1.3 This Purchase Order supersedes all prior agreements, written or oral, between Vendor and the University and will constitute the entire agreement and understanding between the parties with respect to the subject matter hereof. This Purchase Order and each of its provisions will be binding upon the parties and may not be waived, modified, amended, or altered except in writing, signed by the University’s Director of Purchasing or their designee and the Vendor. Waivers of a provision in one instance shall not preclude enforcement thereof on future occasions.

1.4 Vendor agrees that it will comply with federal, state, or local laws or regulations applicable to Vendor’s performance under the purchase order or agreement. Vendor further agrees that it will comply with applicable University Operating Policies and Procedures located at https://www.angelo.edu/opmanual/.

1.5 Purchases made for University use are exempt from the Texas State Sales tax and Federal Excise tax. Tax exemption certificates are available upon request. The University’s Texas taxpayer identification number is 3737793737. If the University is billed for any exempt taxes, they will be deducted from the invoice payment.

1.6 Vendor shall not assign, delegate, or subcontract any purchase order or agreement or any rights resulting from a bid or proposal without the prior written consent of the University and any attempt to the contrary shall be void and of no legal effect.

1.7 Addendums are for reference purposes only and have no substantive effect.
