The San Angelo Business Plan Competition 2018

COMPETITION OVERVIEW

The San Angelo Business Plan Competition 2018 is a three-phase business plan competition with cash prizes as well as in-kind prizes donated by local businesses. The Competition Coordinators are: The City of San Angelo Development Corporation (COSADC), ASU College of Business (COB), and the ASU Small Business Development Center (SBDC). A Judging Panel will be assembled from a pool of successful entrepreneurs, business leaders, financial professionals, and other economic development supporters in San Angelo. The Competition Coordinators and the Judging Panel are considered the “Competition Officials.” The competition is an opportunity for entrepreneurs to develop viable business plans that will *create new ventures or expand existing businesses* in San Angelo.

In brief, a business plan is a comprehensive document that provides an organized view of a business idea or business expansion. A business plan should reflect the vision of a market opportunity and serve as a blueprint for the future development of the business and includes various elements.

One-on-one assistance in preparing a Business Overview and Business Plan is available by contacting the ASU Small Business Development Center at 325-942-2098 or email sbdc@angelo.edu. SBDC certified business advisors will work with contestants on developing their Business Overview and Business Plan. A student team from the ASU College of Business will assist the SBDC advisors.

The SBDC also provides free workshops on various components required to develop a business plan. All workshops will be held in the Business Resource Center (BRC) Training Room located at 69 N. Chadbourne St. in San Angelo. Other SBDC workshop schedules and seminar registration information are available online at: www.sbdc.angelo.edu.

Contestants are encouraged to attend the four workshops listed below:

<u>Date</u>	<u>Workshop Title</u>	<u>Location</u>
See schedule at	Essentials of Starting a Business	BRC Training Room

Prizes Available

In order to encourage contestants to submit quality business plans for The San Angelo Business Plan Competition, the Competition officials may award up to \$50,000 in cash for first place, and \$20,000 in cash for second place, as well as in-kind services donated by local businesses.

If awarded, the first place and second place winners are eligible for a cash grant. The cash grants will be distributed in accordance with terms of grant agreements negotiated with the selected winners. The grant agreements will require appropriate evidence of implementation of milestones outlined in the winning business plan before funds will be distributed. Those selected as semi-finalists will be required to attend a scheduled session discussing the grant agreement process.

Available in-kind prizes will be distributed as appropriate by local businesses. In addition, the winners (or any contestant) may also be eligible to apply for The Business Factory Business incubator program.

The Judging Panel has the discretion to award: (1) first and second place winners; (2) either first or second place winners; (3) no winners. Notification that a business plan is selected as a finalist does not mean that the Judging Panel must award any winners.

Eligibility Requirements

Any individual, or a multi-person team is welcome to enter in the competition as a contestant if they meet the eligibility requirements. Contestants must initially submit the entry form and an original two page Business Overview for the creation of a new business or expansion of an existing business. If selected, contestants will move forward as semi-finalists and create a draft business plan.

Contestants must be committed to primary job creation in San Angelo. The Business Overview and Business Plan must provide evidence the business will produce an economic impact in San Angelo¹ through the creation of primary jobs. A "primary job" means a job that is: available at a company for which a majority of the products or services of that company are ultimately exported to regional, statewide, national, or international markets infusing new dollars into the local economy; and included in one of the following sectors of the North American Industry Classification System (NAICS):

By law, a Texas economic development corporation under the section 4b can only provide funds to businesses that fall under one of these NAICS code sectors. A complete description of these NAICS code sectors can be found at www.naics.com.
