The Board of Regents of the Texas Tech University System, in accordance with V.T.C.A., 
Education Code, Section 51.202, is authorized to promulgate rules and regulations for the safety 
and welfare of students, employees, and property, and other rules and regulations it may deem 
necessary to provide for the operation and parking of vehicles on the grounds, streets, drives, 
alleys, and any other property of Angelo State University.

In addition to these Angelo State University Traffic and Parking Regulations, V.T.C.A., Education 
Code, Section 51.201, provides that: “All of the general and criminal laws of the state are 
declared to be in full force and effect within the areas under the control and jurisdiction of the 
state institutions of higher education of this state," and all persons are responsible for compliance 
with these laws. Angelo State University personnel who are commissioned as peace officers by 
the Board of Regents of the Texas Tech University System are vested with all of the powers, 
privileges and immunities of peace officers in the enforcement of these regulations and the 
general and criminal laws of the State of Texas.

The use of a motor vehicle on the Angelo State University campus is a privilege, and the 
university is not obligated to furnish parking space to accommodate all vehicles. However, the 
university will attempt to provide a reasonable number of parking spaces in keeping with 
resources and available sites.

The university will make every reasonable effort to render protection to vehicles parked on 
campus, but cannot assume the responsibility for any damages or losses. The university 
recommends that you properly secure your vehicle and any valuables contained therein. 
The university holds each operator responsible for the proper registration and use of his or her 
vehicle.

Pursuant to V.T.C.A., Education Code, Section 51.202, a person who violates any provision of 
this regulation is guilty of a misdemeanor and upon conviction is punishable by a fine of not more 
than $200.00.

These regulations apply to all persons who operate vehicles on university property. Repeated 
violations of these regulations or the failure of faculty, staff, or students to respond to a violation 
citation may result in appropriate disciplinary or other action in accordance with the Regents’ 
Rules.

The university further reserves the right to close or re-zone lots due to construction, traffic 
congestion and special events. All changes will be made available through the Parking Services 
Web page http://www.angelo.edu/parking or can be obtained upon request from the University 
Police Department and/or Parking Services Office. All reasonable means shall be used to alert 
the campus community in advance to lot closures or re-zoning. The Traffic and Parking 
Regulations is a publication of Angelo State University. Its purpose is to provide students with 
general information regarding the policies, rules, and regulations concerning traffic and parking. 
The policies, rules, and regulations contained in the Traffic and Parking Regulations are subject 
to change at any time without notice. Students are expected to be familiar with the regulations 
contained herein and to conduct themselves in a manner consistent with them.

Parking Services is located at 1830 Rosemont Drive in the General Services Building. For 
phone or e-mail inquiries, please call (325) 486-6435 or e-mail your question to

Angelo State University is committed to the principle that in no aspect of its programs shall there 
be differences in the treatment of persons because of race, creed, national origin, age, and sex. 
These rules and regulations shall be reviewed to ensure their viability and continued adherence 
to the university’s goals and mission.

D. All violations not issued through the Justice of the Peace must be cleared at the Parking Services Office. Holds are placed immediately on a student’s record upon receipt of a university citation. 1. Withholding of future registration privileges
2. Withholding the issuance of an official certified transcript
3. Withholding the conferring of a degree

E. Justice of the Peace citations may be issued for illegally parking in a handicap space. County citations must be paid at the Justice of the Peace Pct. 4 Building, 124 W. Beauregard. The penalty for illegally parking in a designated handicap space is a fine of not less than $250.00 or more than $1,000.00. In addition to the parking citation, illegally parked vehicles may be towed at the owner’s expense.

F. The University Police Department may issue citations to appear before a Justice of the Peace for violations of the traffic code, state laws, or Regents’ Rules as provided by the V.T.C.A. Education Code, Section 51.202.

H. Parking permits remain the property of Angelo State University and shall not be transferred or gifted to anyone. Valid permits must be surrendered to the Parking Services Office upon separation from the university either by terminating your study or employment with the university. Expired permits are not required to be returned.
I. Using the permit of another person will result in a fine of $200.00. The permit holder is also subject to the same fine for allowing its use. Such violations will be referred to Student Life and Student Services Office for appropriate disciplinary action.

XI. Appeals

A. The Traffic Appeals Committee will review all appeals of traffic violations. The committee will review traffic grievances and has the authority to void citations on the basis of substantive evidence to support such action.

B. Appeals are only accepted in cases where there is significant dispute over the facts or when there are major extenuating circumstances. Not agreeing with a valid parking regulation, being late to class, bad weather, not being able to find a parking space, or only parking in violation for a short period of time are NOT grounds for an appeal.

C. An appeal form must be completed and submitted to the Parking Services Office within ten (10) days after a citation has been issued. The written appeal form will be reviewed by the chief of university police, or designee, who will make a ruling on the appeal based on the information available. If the violation is overturned on appeal, the citation will be voided. If the citation is upheld on appeal, the violator will be expected to submit appropriate payment of the fine. Individuals whose appeal is denied by the Chief of University Police or designee, may request further appeal to the university Traffic Appeals Committee. XII. Bicycles

A. Students are encouraged to use bicycles as a mode of transportation on campus. Parking racks are conveniently located around campus for bicycles. Individuals shall not chain bicycles to buildings, signs, railings, light standards, trees, or shrubs, or park bicycles in any location, area, or space not specifically designated for bicycle parking. Bicycles found secured to trees, posts, hedges, buildings, on hand rails and in buildings may be impounded by the University Police Department. Replacement locks and storage fees will be the responsibility of the owner. Any bicycle left on campus after residence halls close at the end of the spring semester will be considered abandoned, unless prior arrangements have been made with the University Police Department or the ASU Office of Residential Programs. All abandoned property is subject to impoundment.

B. It is recommended that students take advantage of the engravers located at the University Police Department to mark their bicycles with their driver’s license numbers. Operation ID is a free service provided by the University Police Department’s Crime Prevention Unit.
