

AlcoholEDU® and Sexual Assault Prevention for Undergraduate Students® (formerly known as Haven) FAQs

What is AlcoholEDU and Sexual Assault Prevention for Undergraduate Students?

Angelo State University is committed ensuring students receive an exceptional education and can be successful not only in the classroom but in becoming a successful member of our campus community. As part of this commitment to provide a positive education experience, ASU has implemented a comprehensive training program to assist students in making safe decisions related to alcohol use and relationships. *AlcoholEDU®* is an online, research-based alcohol prevention program that provides a tailored educational experience focusing on the impact that alcohol has on the mind and body. AlcoholEDU® helps students make well-informed decisions about alcohol while giving them the opportunity to develop skills that will help them handle potential drinking behavior of their peers. *Sexual Assault Prevention for Undergraduate Students®* is the companion to AlcoholEDU® and focuses on healthy relationships and sexual assault prevention. Sexual Assault Prevention for Undergraduate Students teaches students about setting good boundaries, practicing good communication, affirmative consent, how to be an active bystander, and signs of interpersonal violence and sexual assault.

Who is required to complete AlcoholEDU® and Sexual Assault Prevention for Undergraduate Students®?

All incoming students (first year Freshmen, transfer students, and international students) must complete both courses. Students must complete the training even if a student is not a freshman, if the student took the courses at a different institution, is a non-traditional student, or if the student does not plan on drinking or having relationships while in college.
