*Some courses may be dependent on the major you plan to pursue and the university or college you plan to attend.
**Students planning to apply for a nursing or post-professional program may need to re-take science classes at the college or university they plan to attend.
**Academic Advising**

Certain classes may be more beneficial depending on your intended career path and major you plan to pursue after high school. For assistance on what classes you can take towards a specific major, please contact the ASU Dual Credit Academic Advisor at dualcreditadvising@angelo.edu.

Please contact your high school counselor for questions about classes that might be required to graduate high school and what courses might be available to you.

**Dual Credit Resources**

As an ASU dual credit student, you have access to resources such as tutoring, writing center, and the ASU Library. Visit our website at https://www.angelo.edu/dept/dual_credit/ for a list of all resources available.
